Education

May 2022 - Jun 2025

Undegraded
Abasaheb Kakade College Of It Shevgaon, Ahmednagar
Bachelor in Computer Application (BCA) is a three-year undergraduate degree course for students who wish to delve into the world of Computer languages. The BCA course is one of the most popular options to get started with a career in Information Technology.
A degree in BCA is at par with a B.Tech/B.E degree in Computer Science or Information Technology. For a BCA aspirant, this degree would help in setting up a sound academic base for an advanced career in Computer Applications.
